OPTICAL FIBER COUPLING PART

**SUBMISSION OF ACCURATE ENGLISH
TRANSLATION OF INTERNATIONAL APPLICATION**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Enclosed herewith is an accurate translation of the International Application. It is noted that the English translation originally filed on June 9, 2005 inadvertently contained corrections of errors present in the originally filed International Application. In particular, the originally filed English translation inadvertently contained corrections to Table 2 and several of the section headings in the specification. Therefore, a replacement English translation which does not include these corrections is submitted herewith in order to provide an accurate translation of the International Application as originally filed. Entry of the replacement English translation is thus respectfully requested.

The corrections which have been omitted from the replacement English translation will be properly made in a future amendment.

Respectfully submitted,

Hiroyoshi MATSUMURA et al.
